Profile

Skilled and motivated software developer with a passion for crafting efficient and innovative solutions. With a solid foundation in computer science and hands-on experience in developing software applications. Proficient in multiple programming languages and frameworks. A proactive learner, I keep up with the latest industry trends and continuously seek opportunities to enhance my skills and knowledge.

Experience

● SOFTWARE DEVELOPER
Continental Corporation | 2021 - Present

I was responsible for developing Windows applications using .NET, C#, WinForms, Telerik. The applications used TestStand API and the MVC design pattern. Successfully provided solutions in a timely manner as part of an Agile team.

Education

SCHOOL

Colegiul National Roman-Vodă, Roman | 2014 - 2018

As a graduate of a Math-Computer Science school program, I have acquired a comprehensive foundation in both mathematical principles and computer science concepts.

COLLEGE

Alexandru Ioan Cuza University, Iasi | 2018 - 2021

After 3 years (bachelor's studies) I obtained the qualification of "Bachelor in Computer Science" and gained the knowledge required to work as Engineer & Software Developer, Web Designer, Programmer, Administrator, Architect (software, system, databases, etc.), Systems/Network Administrator, Security Specialist

Achievements

🏆 **ECDL Profile Certificate**
Completed course that certifies me as in Computer Essentials, Word processing, using Databases and SpreadSheets

🏆 **C1 CAE Certificate**
Acquired Cambridge Level C1 certificate in Advanced English

🏆 **Designed Operating system**
Designed an operating system as proof of concept for my license degree project.
